## Checklist Steps

### 1. Check Airline Pet Policies

- ☐ Find your airline's pet policy in the table.
- ☐ Review allowed pets, weight, carrier size, fees, and special requirements.
- ☐ Click the official policy link for the latest updates.

### 2. Prepare Your Pet and Documents

- ☐ Visit your vet for a health check and required vaccines/certificates.
- ☐ Ensure your pet's microchip, passport, and paperwork are up to date.
- ☐ Get an airline-approved carrier and help your pet get comfortable with it.

### 3. Book Your Own Ticket

- ☐ Use the flight search widget to find and book your ticket.
- ☐ Choose flights with fewer layovers and shorter travel times.

### 4. Reserve Your Pet's Spot with the Airline

- ☐ Contact the airline (phone/email) after booking to add your pet.
- ☐ Provide booking number, pet type, breed, weight (with carrier), and carrier dimensions.

- ☐ Confirm there's space for your pet (airlines have limits).
- ☐ Ask about pet travel fees and how/when to pay.

#### **5. Finalize Documents and Payment**

- ☐ Receive confirmation that your pet is approved for travel.
- ☐ Gather all paperwork: health/vaccination certificates, import permits, pet passport.
- ☐ Pack essentials: food, water, leash, familiar blanket/toy, medication.

#### **6. Prepare for Travel Day**

- ☐ Feed your pet a light meal several hours before departure.
- ☐ Exercise your pet before heading to the airport.
- ☐ Arrive early for pet check-in and security.

#### **7. At the Airport and Onboard**

- ☐ Follow airline instructions for check-in and security.
- ☐ Keep your pet calm and comfortable in the carrier.
- ☐ After landing, collect your pet and make sure they are healthy and settled.
